In compliance with the University of Burdwan guidelines students are requested to also note the following:

- Students should preferably have their own email id for sending scanned answer scripts by e-mail to the email specified by the college.
- Soft copy of the front page of the answer script to be used for writing answers is available at University website so that examinees may download it well in advance for use. Use of the front page provided by the university is compulsory and since there is no scope of checking the information by an invigilator, examinees are asked to fill in the blanks like Roll number, Registration number, Course/Paper and Subject very carefully. An answer-script will be treated as incomplete without a properly filled-in front page, and is, therefore, liable to be rejected.
- Each question will be of 10 or 5 marks and there will be no question carrying 1 or 2 marks. The distribution of such questions will depend on the full marks of the course/paper. Softcopy of questions

will be made available by the University as well as the college through website at least half an hour before the commencement of the examination of each day.

- As it is a blended open book examination, there will be no objective type question and the timing will be restricted to 2 / 3 hours as the case may be for Semester VI examinees (CBCS) and to two hours in the part system (I+I+I) irrespective of course-paper. Time for Part III examinees will be 2 hours. Therefore, Full Marks of each paper will be 50. After the examination the marks obtained will be doubled to get the full value of performance in every paper of 100 marks.
- Examinees will have to submit their own hand-written answer scripts electronically to the mail id specified in a single pdf file (Page sequence: Front page followed by page nos 1,2,3,4...) within the stipulated time (as mentioned in the exam schedule) for each day's examination. The Examinees should be very careful in typing the correct mail id (as notified above) while submitting the answer scripts electronically. In compliance with UGC mandate in this regard ('half an hour or so for downloading the question paper and uploading answer sheets') examinees will get half an hour for downloading the question paper and half an hour for sending the PDF file of answer script.
- For electronic submission, numbered sheets are to be arranged serially, scanned, scanned pages then converted to a single PDF document. The PDF document must be named after the Roll Number of the examinee and attached to the mail before sending it to specified mail id. In the Subject field of the email Subject and Course/ Paper are to be written.
- In case of failure in electronic submission, examinees must submit the same to the college within stipulated time (half an hour) of each day's examination and collect receipt of submission from the college end. If an answer script is not sent electronically/ physically submitted to college within the given time (half an hour), as per rule the examinee may/ would be marked as 'Absent' in respect of the examination of that particular Paper/ Course.
- Students will have to give an undertaking regarding maintenance of sanctity of examination and acquaintance with the rule by signing the Front Page of the answer script. If answer script is sent electronically, screenshot of the sent mail is to be preserved. In case of traffic-jam in delivery, if necessary, this will be referred to in resolving dispute regarding late submission.
- Although students will take examinations from home, they will come under the purview of disciplinary measures on the basis of examiner's report in case any of them writes/ posts anything that might compromise the sanctity of the system which depends mostly on trust and responsibility of learners.
