ବ୍ୟବ୍ସାନ

All the members of committee are meeting together.  
Like I have told you that I will advance my organization  
organization for the newly admitted students  
So I need considerable information in order  
to advance them for their job as well they  
are more financially independent. So I have  
to do something that I would be a financial  
aid of it which will be no trouble for them  
to make an end in career development all the  
members of the committee agreed.

I have also decided that the admission fees  
will take place in the Committee like in  
the beginning was in 2015.
