### REPORT OF THE MENTOR-MENTEE MEETING OF THE ACADEMIC SESSION 2023-24

#### Dates of Meeting: 11/07/2023 & 16/09/2023

Meeting details: Two meetings were held by the mentor for the students/mentees in the academic session of 2023-24. A number of 03 students attended the first meeting held on 11/07/2023 and a number of 03 students attended the second meeting which was held on 16/09/2023. In both the meetings the mentees were heard by the Mentor and they were guided with tentative ways to get those issues resolved.

#### Issues raised:

- Mentee named Sudip Das raised the issue of problems arising in the proper understanding of the NEP,2020 system of curriculum
- Difficulty in understanding various topics in syllabus despite being taught in regular mode of teaching
- Queries regarding pattern of internal assessment and evaluation
- Lacking in concentration and motivation
- Concern regarding delay in semester end examinations

  
Principal  
Abhedananda Mahavidyalaya  
Sainthia, Birbhum

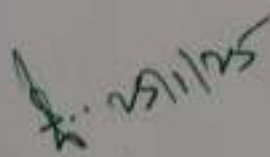

- Some students expressed their problems with the routine as the distance of the college from their place of residence is far away.
- Exam phobia of some students.

#### Issues resolved

- Remedial classes were arranged for the particular topics.
- List of reference books, study materials and model questions were provided to them to help with the teaching-learning process.
- Counselling session was arranged to motivate the mentees.
- Interactions were done with parents of mentees having poor attendance. Discussions were done to find out the reason behind and to improve their attendance.
- Mentees were educated about the mechanism of evaluation system. After completion of internal assessment interactions were made with the students along with the assessed answer-scripts and all doubts were cleared for their future study plan.
- Due to some issues related to the Semester end examinations was delayed, which raises concern amongst the mentees. As a mentor I tried to my best to solve their concerns and guided them to improve their learning's.
- It is decided that special classes will be arranged to help the students. An adjustment in the time-table was done to meet up the problem.
- Practice tests were arranged to overcome exam phobia.

Mentoring is a very difficult job and from my side I have tried my best to solve all the issues raised by the mentees. Not only through the meetings, but also during each and every class and whenever I was able to communicate with the students, I have tried to mentoring them with all best possible ways.

5	ROUNAK BISHWAKARMA	220130100184	2023-24

### **Details of meetings:**

**Dates of Meeting: 15/09/2023 & 08/02/2024**

Student mentoring is important and necessary to resolve academic problems and other issues. All meetings were done on off-line mode. Besides that, outside of the class hours students also interact with me through telephonic conversations. During first meeting with Semester-1 students forms were distributed to collect information from students and counseling was done. Later on meetings were arranged to discuss over and resolve issues raised by the students.

### **Issues raised:**

- Detail understanding of CBCS system and curriculum
- Queries regarding pattern of internal assessment and evaluation
- Concern regarding delay in semester end examinations
- Some students expressed their problems with the routine as the distance of the college from their place of residence is far away.

- Exam phobia of some students

### **Action taken report:**

- Mentees were made to understand about detail framework of the CBCS system and their curriculum and evaluation method during the semester.
- List of reference books and study materials were provided to them to help with teaching-learning processes.
- Mentees became oriented about uses of Library facilities and their maintenances.
- Interactions were done with parents of mentees having poor attendance. Discussions were done to find out the reason behind and to improve their attendance.
- Mentees were educated about the mechanism of evaluation system. After completion of internal assessment interactions were made with the students along with the assessed answer scripts and all doubts were cleared for their future study plan.
- Due to some issues Semester end examinations of Semester-1 was delayed, which raises concern amongst the mentees. As a mentor I tried to my best to solve their concerns and guided them to improve their learning's.
- Practice tests are advised to overcome exam phobia.
- It is decided that special classes will be arranged to help the students. An adjustment in the time-table is done and the CBCS syllabus was explained to them in detail.

- Practice tests are advised to overcome exam phobia.

Mentoring is a very difficult job and from my side I have tried my best to solve all the issues raised by the mentees. Not only through the meetings, but also during each and every class and whenever I was able to communicate with the students, I have tried to mentoring them I all best possible ways.

## 1. Issue Raised.

As the NEP 2020 has been implemented by the University of Burdwan to the Course Curriculum as per the guidelines of UGC. Many Students have several queries about the Course Structure and Course Content.

### Action taken

Rigorous discussion is done with the Students to clarify their doubts about Course Structure and Syllabus.

## 2. Issue Raised

Most of the Students asked about the appropriate text books according to the NEP 2020 syllabus.

### Action taken

Some text books and reference books are suggested, which can be helpful to the Students. Many of the books are readily available in the market. Many books can be also taken from college library or departmental library.

Meeting - 2

Date: 28/03/2024

Some Students of Sem II requested the department to rearrange some late classes to earlier period as they come from interurban areas. Since transport connecting is not readily available in late hours so they cannot attend the late classes regularly.

Action taken

It is resolved that department will take the issues to the college authority for appropriate action.

### Details of meetings:

Dates of Meeting: 14.08.2023

Student mentoring is important and necessary to resolve academic problems and other issues. All meetings were done on off-line mode. Besides that, outside of the class hours students also interact with me through telephonic conversations. During first meeting with Semester-I students forms were distributed to collect information from students and counseling was done. Later on meetings were arranged to discuss over and resolve issues raised by the students.

### **Issues raised:**

- Detail understanding of CBCS system and curriculum
- Queries regarding pattern of internal assessment and evaluation
- Concern regarding delay in semester end examinations
- Some students expressed their problems with the routine as the distance of the college from their place of residence is far away.
- Exam phobia of some students

### **Action taken report:**

- Mentees were made to understand about detail framework of the CBCS system and their curriculum and evaluation method during the semester.
- List of reference books and study materials were provided to them to help with teaching-learning processes.
- Mentees became oriented about uses of Library facilities and their maintenances.
- Interactions were done with parents of mentees having poor attendance. Discussions were done to find out the reason behind and to improve their attendance.
- Mentees were educated about the mechanism of evaluation system. After completion of internal assessment interactions were made with the students along with the assessed answer scripts and all doubts were cleared for their future study plan.
- Due to some issues Semester end examinations of Semester-1 was delayed, which raises concern amongst the mentees. As a mentor I tried to my best to solve their concerns and guided them to improve their learning's.
- Practice tests are advised to overcome exam phobia.
- It is decided that special classes will be arranged to help the students. An adjustment in the time-table is done and the CBCS syllabus was explained to them in detail.
- Practice tests are advised to overcome exam phobia.

Mentoring is a very difficult job and from my side I have tried my best to solve all

the issues raised by the mentees. Not only through the meetings, but also during each and every class and whenever I was able to communicate with the students, I have tried to mentoring them I all best possible ways.

### **Details of meetings:**

**Dates of Meeting: 23.08.2023**

Student mentoring is important and necessary to resolve academic problems and other issues. All meetings were done on off-line mode. Besides that, outside of the class hours students also interact with me through telephonic conversations. During first meeting with Semester-I students forms were distributed to collect information from students and counseling was done. Later on meetings were arranged to discuss over and resolve issues raised by the students.

### **Issues raised:**

- Detail understanding of CBCS system and curriculum
- Queries regarding pattern of internal assessment and evaluation
- Concern regarding delay in semester end examinations
- Some students expressed their problems with the routine as the distance of the college from their place of residence is far away.
- Exam phobia of some students

### **Action taken report:**

- Mentees were made to understand about detail framework of the CBCS system and their curriculum and evaluation method during the semester.
- List of reference books and study materials were provided to them to help with teaching-learning processes.
- Mentees became oriented about uses of Library facilities and their maintenances.
- Interactions were done with parents of mentees having poor attendance. Discussions were done to find out the reason behind and to improve their attendance.
- Mentees were educated about the mechanism of evaluation system. After completion of internal assessment interactions were made with the students along with the assessed answer scripts and all doubts were cleared for their future study plan.
- Due to some issues Semester end examinations of Semester-1 was delayed, which raises concern amongst the mentees. As a mentor I tried to my best to solve their concerns and guided them to improve their learning's.
- Practice tests are advised to overcome exam phobia.
- It is decided that special classes will be arranged to help the students. An adjustment in the time-table is done and the CBCS syllabus was explained to them in detail.
- Practice tests are advised to overcome exam phobia.

Mentoring is a very difficult job and from my side I have tried my best to solve all

the issues raised by the mentees. Not only through the meetings, but also during each and every class and whenever I was able to communicate with the students, I have tried to mentoring them I all best possible ways.
